feel inside.										
9. Introduced concept: We can help others in big and small		0	1	2	3	4	5	6	7	
ways										
*	0. Introduced concept: We can be kind and caring to animals 0 1 2 3 4 5 6				7					
and insects.										

1.	How did this lesson go? What worked well in this lesson? What did you find to be particularly effective?
2.	What was challenging? Did you notice anything that the children didn't seem to understand or struggled with?
3.	Did you modify or add anything?
4.	What would you do differently the next time you implement this lesson?

THEME 8: GRATITUDE AND CARING FOR OUR WORLD WRAP-UP

Lesson 22: Gratitude and caring for our world.

Date of Lesson: Approximate l			lesson:							
Name:										
Instructions: For each less	on objective, please circle a number, using	ng the sca	ale below, t	o indicate t	o what ext	tent you m	et the objec	ctive.		
() I did NOT introduce or address this objective.	Introduced the topic but did not explain or practice.	3 4 5 6 Introduced it & provided some explanation & some practice					7 Introduced it & provided detailed explanation & practice			
Le	esson Objectives									
1. Introduced review of kind name people we can be kind	ness and depending on each other and to.	0	1	2	3	4	5	6	7	
2. Introduced how we are able to enjoy the earth/environment because others have taken care of it in the past so we can also do this.		0	1	2	3	4	5	6	7	
3. Introduced "In My World" and ask about three things kids are thankful for and how feel when have them versus when don't have them.		0	1	2	3	4	5	6	7	
4. Introduced world takes care of us so how can we take care of the Earth with our hands (e.g., plant things, pick up trash) and how to take care of Earth with our hearts (e.g., be kind, think nice thoughts).		0	1	2	3	4	5	6	7	
5. Introduced how it feels inside to take care of the Earth.		0	1	2	3	4	5	6	7	
6. Introduced paper with hands and heart to color in to remind us how to take care of the Earth with hands and heart.		0	1	2	3	4	5	6	7	
7. Introduce calling their names to go to the table and talk about possibly cutting out hands and heart.		0	1	2	3	4	5	6	7	
8. Introduced inviting the bell and stopping to breathe and feel our breath.		0	1	2	3	4	5	6	7	
9. Introduced concept: There are many things in the world that we are grateful for		0	1	2	3	4	5	6	7	
10. Introduced concept: We can take care of all that we are given in 0 1 2 3 4 5 6 the world.				7						

1.	How did this lesson go? What worked well in this lesson? What did you find to be particularly effective?
2.	What was challenging? Did you notice anything that the children didn't seem to understand or struggled with?
3.	Did you modify or add anything?
4.	What would you do differently the next time you implement this lesson?
5.	Are the activities in this week's lessons similar to activities you do as part of your other programming or Pyramid programming? That is, do you think there is major overlap?
